About the Tennis Team Performance|Competition Workshops.

Tennis player workshops preparing juniors for the team tennis experience with themed training and competition. Designed to prepare players in high school, middle school, and elementary school for match play experiences on varsity tennis teams and junior tennis team league teams.

Workshops include a training theme focusing on technical and match competition skills combined with singles and doubles match play.

Players are encouraged to learn and practice skills in programs they are currently participating and how to practice on their own indoors or outdoors.

The workshops will be scheduled for designated varsity skill levels throughout the winter for designated age groups:

- Jr. Varsity and Varsity experienced for ages 13 to 18.
- Jr. HS/ Middle School experienced and preparation.
- 12 and Under players to learn about preparing for playing on a tennis team.

Workshops are directed and conducted by Coaching staff, including Joe Arias, Jimmy Delevante, and Gary Gaudio (EAC Blue Point Director of Tennis) with over 50 years of combined tennis team competition experience including extensive experience with tournament competition, high school, and college varsity and USTA team tennis programs.
